**Subject:** Departmental Lab Safety Training for Fall 2010

Hi all,

Hope the end of the semester is finding you well. I am setting up Lab and Fire safety training sessions for individual departments for Fall semester 2010.

If you or anyone in the department need a special departmental lab safety training for all grad or undergrad students, please let me know as soon as you can. We only have limited sessions available, as this is our busiest semester for training. Sept 1 and 2(except afternoon) are taken. The limit is at least 15-20 attendees and the session is 2 hours and can be at your

department's location or at EHS training facilities (max.30) at Draper hall .

Please call me at EHS 545-2682 or email me at [pmorgan@ehs.umass.edu](mailto:pmorgan@ehs.umass.edu) and let me know the training time frame and approximated number of attendees.

Thank you again for all your help.

PS: Happy Spring (and Summer later)!
